

AIRING PUBLIC TRANSPORT 2003

Proposals for Western Sydney include:

- Bring forward capital works on the Parramatta to Chatswood and Strathfield to Hurstville rail lines. Rail link between Camden and Campbelltown, upgrade rail services to Menangle Park and extend to Picton.
- Provide services to the Wollondilly area.
- Improve regularity of all services, in particular, Campbelltown to Macarthur line.
- Complete feasibility study of light rail to connect Blacktown/Riverstone railway line.
- "Y" link at Glenfield to link Liverpool to City via East Hills.
- Increase capacity between Stathfield and City - underground express lines.
- Liverpool to Parramatta bus transitway fares should be at public bus rates.
- Rail link from main Southern line, South of Campbelltown to Glenlee Coal Washery to be extended to Spring Farm and Elderslie (Camden).
- Light rail systems for Paramatta to Castle Hill and Kellyville; Wetherill Park to Bankstown and Castle Hill; and Liverpool to Bankstown.
