HOW TO PREPARE: Ensure that the insecticide granules stay where they are put and have long residual activity.

CAUTION: Dangerous to fish. DO NOT allow chemical containers or product to get into drains, sewers, streams or ponds. DO NOT heap granules. These granules may kill birds if ingested. DO NOT feed granules or otherwise expose to wild or domestic birds.

STORAGE & DISPOSAL: Store in the closed, original container in a cool, dry place out of the reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS: Harmful if swallowed. May irritate the eyes and skin. Avoid contact with eyes and skin. Repeated minor exposure may have a cumulative poisoning effect. Do not inhale dust. When using the product wear rubber gloves. Wash hands after use. After each day's use, wash gloves.

FIRST AID: If poisoning occurs, contact a Doctor or Poisons Information Centre. Phone 13 1126.
